Cable Cutter & Crimp Tools

Build Your Own

Download PDF

Make your own cable assemblies in house using this versatile and durable tool. The dual purpose Cutter/Crimping tool tightly crimps Aluminum Oval and Stop Sleeves, and features a built-in cable cutter. Cut cleanly without fraying the end of the cable. **Steel stamped eyes require special assembly equipment. WARNING. Always wear eye protection when using this tool.**

Save yourself the hassle of making assemblies in house and ask us for a quote on complete Steel Lanyard Assemblies! **Our recent advances in automation allow us to produce high quality Steel Lanyards at prices competitive with imports and with FAST lead times.**
