Request Information / Quote

Nylon Lanyards™ keep pins, fasteners and other components where they belong! This low cost tether is an alternative to steel cable lanyards or stainless steel cable lanyards and offers light-duty retention and loss prevention.

The U-Lock style of Nylon Lanyards™ offers one end with a loop that is supplied open. Attach this to a component or equipment, then "snap" loop together! Loop is permanently locked. Available with either a molded loop or eyelet on the other end. Stocked in 10" (assembled) lengths.

Available from stock in various styles and lengths, Nylon Lanyards™ are made from Super Tough Nylon. Available in fixed end and U- lock styles with various configurations.

Sold in 100 piece bags. Pricing is per bag.
